

Allegiant Classes Traditional (ACT)

Traditional classes are a favorite among both parents and students. If you're looking for a mathematician, artist, writer, or a science-lover who enjoys dissecting to share their passion with your students, these classes are just for you. ACT are meant to be taken "a la carte" enabling you to pick and choose based on your student's educational needs and the many options allow you to find the right fit for your budget. You may choose one, several, or all day classes, it's up to you! ACT are each one hour (with some exceptions) covering core and supplemental subjects. ACT are also a great way for students to get connected.

Students meet with an instructor once a week for teaching, labs, quizzes, tests, homework checks, and/or projects. Progress reports are given quarterly and report cards are given each semester. These classes are just the thing for homeschool moms needing a little help. ACT gives moms fellowship time too! We're always here for prayer, guidance, and questions.

For more information, email classes@Allegiantcs.org or call our school office at 951-790-3941. If you'd like to teach or help in anyway, we'd love to hear from you.
