

# Allegiant Christian School

## Membership Responsibilities

1. Both custodial parents and/or guardians are in agreement regarding home study.
2. Although the school is storing and maintaining your children's records, it is in no way responsible for their actual education. Parents are required to diligently and consistently teach their student (s) a reasonable course of study and provide parental supervision during school hours.
3. Parents are required to provide 180 school days. This number includes field trips.
4. Parents are required to keep attendance records for their family, a course of study for each student and report cards for each student, and provide these records to the school as required.
5. Parents will provide and pay for their own curriculum.
6. Parents are required to attend school-sponsored activities with their children, and are responsible for their safety and supervision. Parents may elect another ACS parent or guardian to attend in their place.
7. At least one parent, although we encourage both, is required to attend each of the two mandatory school meetings—Back to School and End of the Year. Failure to do so will result in an absence fee of \$25.
8. Each family is required to pay an annual registration fee. Fees are payable at the time of registration or registration renewal. This fee varies according to the date of registration or renewal.
9. Tuition is \$500 annually. You may choose to make monthly payments of \$50 due on the first day of the month. A \$15 late fee will be added for payments received after the 15th of the month. Failure to pay tuition for two months without notifying the school of extenuating circumstances and making arrangements to the satisfaction of the governing board will result in dismissal.
10. Each family is required to hold and maintain membership with Home School Legal Defense Association (HSLDA). Our HSLDA group number will be given upon enrollment in ACS.
11. Each family must be in regular attendance at a church of their choice.
12. Each 8th—11th grader and/or a parent is required to volunteer at the ACS High School Graduation ceremony. Failure to do so will result in a \$100 fee.

I have read and understood these Membership Responsibilities and agree to adhere to them during my family's enrollment in Allegiant Christian School.
